RE: Motion For Dismissal of Chapter 7 Bankruptcy Case #: 23-30534-thp7

Rebel Skates is a 35-year-old lifestyle skate brand business that I acquired less than a year ago. Madisen Peterson was my assistant and worked on filing the Rebel Skates LLC and became a friends and family investor on a side project associated to Rebel Skates LLC, called Little Daggers Skate Club. She contributed an initial financial investment that was applied to apparel inventory, skate park infrastructure, etc. associated to Little Daggers Skate Club. The repayment of the initial financial investment was an informal spoken agreement with no timeline attached. Before Little Daggers Skate Club was operable and had achieved any revenue, Madisen began requesting repayment. To facilitate said repayment, we aligned that she would sell skate apparel, boards etc. to recoup her financial investment in a timely manner. She did not exercise this opportunity. To date, I have been amenable to meeting with Madison to discuss a repayment timeline. At this point. she has not exercised this opportunity. Then on March 14, 2023 I received this Notice of Chapter 7 Bankruptcy.

I would also like the court to note that I , Keary Watson am a member of the team that established the Rebel Skates brand in the early 80's and was hand picked by the previous owner to carry on the Rebel Skates legacy. Mx. Peterson has no legitimate connection to Rebel Skates LLC or the Rebel Skates brand, outside of the connections she created through fraudulent filings and forgery in 2022.

**I am requesting that the Bankruptcy Case Case #: 23-30534-thp7 be dismissed and that this letter serve as my written objection to and motion for dismissal of the Chapter 7 Bankruptcy case filed by Madisen Peterson.**
